Hi Everyone,

Since we last met with OW and OSWER on Jun 27, we have had a number of conversations within NCEA and with OSWER folks as a part of HHRA research planning related to the multiple PFOA/PFOS requests.

In preparation for our 4pm meeting tomorrow (7/24), please see the information provided below and in the attachments. Our plan is to walk through the issues and make sure NCEA and OSP have all the facts. Then come up with a plan for how we might help OSWER (and perhaps OW?). There are multiple aspects to the issue that warrant discussion.

Perhaps the following order can serve as an agenda.

Please let me know if you have any questions. We look forward to talking through this issue tomorrow.
